

ADULT LEARNERS

MSU Billings has many options to support busy adults who wish to return to college.

We are pleased to be able to offer an opportunity to take college courses via the internet as a way of overcoming barriers of time and place. Our students have told us they need the ability to reach their academic goals in an environment that affords them freedom and flexibility, comfort and convenience, and more time for work and family. By combining our commitment to Access and Excellence with the technology that allows students to "Learn Online... Anywhere...Anytime," this program ensures that students can achieve personal, professional, and academic goals without sacrificing the other things that are important in life.

Through the MSU Billings Online University, students can complete General Education requirements as well as the following certificates and degrees listed below. We are continuously reviewing our programs to determine what we can offer in an online format. To get a **current** list of degrees and classes offered online, please check [msubonline.org](http://www.msubonline.org) (<http://www.msubonline.org>).

Online Programs Currently Offered through City College at MSU Billings:

Associate Degree Programs

A.A.S. Accounting Technology

Please refer to the program requirements for these academic programs listed alphabetically in this catalog.

Students can also take individual online courses for professional development, to transfer to another institution, to apply toward another MSU Billings degree program, or to supplement on-campus course schedules with an online learning experience.

Students are encouraged to work with an advisor when pursuing any of these degree programs to ensure that courses selected will successfully meet all degree requirements and also fulfill the student's academic interests and goals. For academic advising and course selection assistance, please contact the Jacket Student Central at ccadvising@msubillings.edu.

Partnership with School District #2 Adult Basic Education Program

City College at MSU Billings partners with Adult Basic Education to assist students needing college preparation. Services provided include basic literacy skills for math

and English and HiSET Preparation. Classes are self-paced with individualized instruction and flexible scheduling. Call 406-281-5001 for more information.
