CMP - COMPUTER APPS

CMP 205 Computer Skills Aide.   2 Credits
Prerequisite(s): Approval from the appropriate instructor and department chairperson.
Allows students the opportunity to enhance their own skills while assisting other students in the development of technical and academic skills as a computer classroom instructional aide. The student must have completed the same course with a grade of "B" or better. Students are allowed to aide in one computer course per semester and only once per course.
Lecture Hours 2
Department: Computer Technologies - COT

CMP 236 Advanced Web Programming.   3 Credits
Prerequisite(s): CSCI 211.
Provides students with advanced programming skills to create and maintain dynamic web sites using technologies such as Java Server Pages and languages such as PHP and JavaScript. Students will gain skills in developing interactive web sites that perform both client-side and server-side processing while interacting with databases.
Lecture Hours 3
Department: Computer Technologies - COT
