

# SCHOOL COUNSELING OPTION (K-12) LICENSURE OPTION MASTER OF EDUCATION

## Offered Online

Counselor Education graduates who complete the 60-credit licensure option, maintain a cumulative GPA of 3.0 or higher, and achieve a minimum score of 159 on the Professional Praxis Exam are eligible to apply for licensure as a School Counselor and/or as a Licensed Clinical Professional Counselor (LCPC).

Graduates pursuing school counseling licensure must submit their application through the Montana Office of Public Instruction. Those pursuing clinical mental health counseling licensure (LCPC) must apply through the Montana Board of Behavioral Health.

All students seeking a degree or post baccalaureate program through the Department of Educational Theory & Practice must obtain criminal background reports by submitting fingerprints to the Licensure Office upon application to Graduate Studies.

## Admission Requirements

- Undergraduate GPA of at least 3.0. Applicants with lower GPA may be provisionally admitted but are required to take the GRE within the first semester. GRE total score of 290 (verbal and quantitative) and written score of 3.5 are expected. Applicants that already have a Master's degree from an accredited institution are not required to meet this requirement.
- Current resume or CV.
- Statement of purpose describing the applicant's professional goals and the purpose in pursuing the degree program. One page maximum in narrative format, not bulleted.
- Four letters of recommendation, two academic and two professional. Recommendations from those who have a personal relationship with the applicant (such as family members) are not accepted.
- Official transcripts.
- Criminal background report submitted to the College of Education Licensure Officer.
- Immunization documentation as required by state law.
- A complete application submitted to the Office of Graduate Studies.

Note: Master of Education in School Counseling and Professional PRAXIS in school counseling is required.
