

GRADUATE DEGREE PROGRAMS

The graduate programs of study at Montana State University Billings are centered around the activities of educating, serving, and communicating. Montana State

University Billings is committed to promoting standards of excellence in graduate programs and services, assisting the graduate educational needs of all students, seeking resources to recruit and retain quality graduate students, promoting partnerships with the global community, and supporting research and facilitating creative and original endeavors. A research course is required in all degree programs.

Moratorium = MSUB is not currently taking students into the program.
