Determination of Resident Fee Status

The Montana University System classifies all applicants for admission and students as either in-state or out-of-state. The basic rules for making the classification are found in the Board of Regents' policy. Each residency determination is based on the unique set of facts found in each individual's case. It is the student's responsibility to secure and review a copy of the policy. Failure to be aware of the rules will not be cause for granting exceptions to them. A copy of the policy is available from the Registrar's Office at Montana State University Billings (McMullen first floor west, 406-657-2303). A complete explanation and residency questionnaire is found in the Montana University System's Student Guide to Montana's Residency Policy.

MSU Billings students receiving Title IV funds and who officially or unofficially withdraw or are expelled, up to the 60% point of the semester, may be required to return federal funds. Students may also be entitled to a post withdrawal refund up to the 60% point of the semester. Examples of the Federal Title IV policy may be obtained at the MSU Billings Financial Aid Office. If the refund is insufficient to repay the financial aid programs, students will be billed for the over-awards.

Students who owe repayments to any federally sponsored student aid program cannot receive any type of federal student aid. Students are responsible for repayment of all financial aid returned on their behalf by the University. Students failing to make satisfactory repayment are responsible for all collection costs incurred in the collecting of the debt.
